Mark McRae: It won't cost you a dime... and it's starting now. Let me explain. The "Full Disclosure" webinar for today starts at 1PM EST and you can still get in here: There are actually two webinars where you can ask questions and hear from the inventor of the most sought after trading robot ever to be released. The first webinar starts today at 1 PM EST, and the next one on Thursday starts at 9 AM EST. Imagine...talking with the programmer of the best automated trading system ever released. Sounds great, doesn't it? Don't miss this "Full Disclosure" webinar. There will never be another opportunity.

=====
Your Automated Trading Questions Answered Instantly At The Full Disclosure Webinar
=====

The Full Disclosure Webinar is a live interview and Q & A session (of your questions) with one of the world's top automated trading programmers. This will be a webinar you won't want to miss. Wednesday the 22nd at 1.00 PM EST and...Thursday the 23rd at 9.00 AM EST

=====
Talk To One Of The World's Top Programmers Live
=====

On this very special webinar, the inventor of the most powerful commercially available trading robot will be available to answer your questions live. He'll also be disclosing some shocking facts about automated trading.

If you've ever wondered about:

Q - Can you really make a profit trading robots?

Q - How come every trading robot I have tried seems to lose?

Q - Can I really believe in the incredible results of the Forex Crescendo EA?

Q - What is it about the Crescendo that's so different from all the other EAs?

Q - How can I make my existing trading robot better?

Q - What should I be looking for in a robot?

Q - Do Manual trading systems make good EAs or not, and why?

Q - Why backtests don't always tell you the truth?

Q - How safe is the Crescendo EA?

Q - Which pairs will the Crescendo EA be able to trade?

Q - Will the Crescendo EA be updated regularly for market changes?

Q - Will it work with 4/5 digits brokers?

Q - Is it NFA rules compliant?

Q - And much more...

There is no charge but space is limited so secure your spot here: Just think! You'll get all your questions answered from a top programmer and find out more about the best automated trader on the market today.
