Get a glimpse of [Forex Bulletproof](#) 4,000 lines of code. We hope have read about Forex BulletProof... one of the most promising EAs on the market (and yes, the FapTurbo team is behind it!) Anyway... today we've got something great for you - something that hasn't been done before! The FBP team's revealing key code lines that have been programed into the robot... they're exposing stuff NO-one ever dares to.

Also...You'll be able to see the FBP team and how hard they've worked. By the way, one of the development team members managed to make over 10,000% net profit with the robot during the programing and testing phase! Remember, too, that you'll still be eligible for a NO-Cost copy of the robot:

The Pips Dominator team are unleashing their deadly new trading software on the market RIGHT NOW! If you're new to Forex trading, this software is exactly the tool you need. You could be trading with the professional's in a matter of minutes and making consistent profits in no time...the best part is that it's so easy to set up and use that a child could do it...If you've been around in Forex for a while with limited or no success- you're finally in luck. Pips Dominator is flagship software different from anything available on the market to date.

The golden rules of Forex Trading have been hardcoded into this flagship software, allowing the user to diversify and minimise risk- the end result is a portfolio of unique software optimised for the special market conditions of 2010/11. Pips Dominator simply put, is the key to Forex success. Let me tell you why:

- It hunts down the best trades
- It kills emotion
- It finds potential wins very regularly on a daily basis

Designed by professional Forex traders and advanced programmers, this software is based on complex maths and statistics...and its profit potential exceeds that of any human.... All you need to do now is to grab your copy at the special launch price, before it sells out. This will only be available for a few days. Membership will fill up fast, so don't wait.

If you have not grabbed your copy of the incredible Pip Dominator then you are about to make a big mistake! If you have not heard about Pip Dominator and its top secret methods it uses to bypass the broker's shady tactics that stop us from truly making huge automated profits, then you must see this...Well now they only have 68 copies remaining and they are shifting at an alarming rate... Check out why These methods can never be detected by Forex brokers here.

This isn't a simple case of using stealth mode like most other below par software attempts to do... This is more complex and includes creating specialist algorithms that can bypass the security systems that brokers have in place to stop us from making crazy amounts of money via Forex trading. If you like the idea of earning an easy 6 figures a year from Forex, then make sure you listen to what these guys have to say as they teache us how to look through the Forex brokers, and shows us the dirty tricks that the brokers are up to. No matter how hard the brokers try, we will always beat "the house" when we use these methods...

This is the best opportunity you will get to crack Forex this year, and the best part is they actually promises to support you 100% as you embark on your money making adventure. But you have to remember that they only have 68 copies remaining and they are sure to all be gone by the end of today, so its important you act now...Mark has successfully studied many Forex millionaires and managed to work out why these guys are so successful, while the majority of traders fail...

Then he was able to automate the exact same trading style they use, to create a unique software that anyone who has a vested interest in making money online can use to reap in cash from the Forex market. This is probably your last chance to get hold of this...In fact by the you have read this email Mark may have sold out and already

closed his site down.
